Family Kompakt Full-Cassette

The Family Kompakt Full Cassette offers an elegant awning solution that is coupled with excellent technical features in this top-quality cassette awning that sits neatly against the wall.

FEATURES

Fabric cover shell

The integral fabric cover shell offers an elegant solution for concealing the fabric roller.

Front profile bracket

An adjustable bracket ensures the front profile is always vertical. A special mechanism ensures reliable positive closing when the awning is retracted.

Arm bracket

Of extruded high-strength aluminium alloy, with supporting and high impact screw. Upper arm fork of forged aluminium.

Hinged arm joint

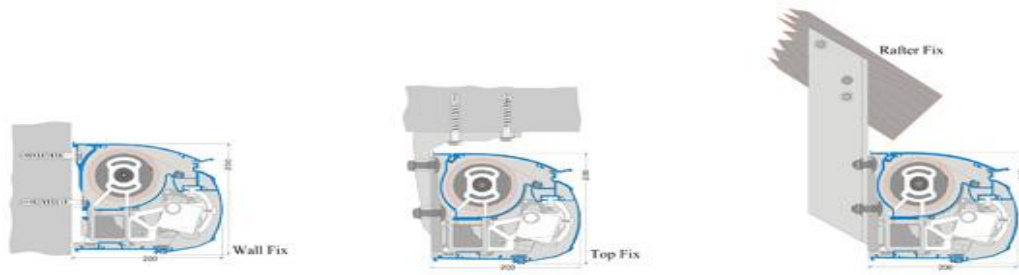

The plastic-coated double cables are designed for an extremely long service life:

- no soiling of the greased cables caused by exposure to the environment
- arm profile and cables of the same colour

The extremely high spring tension of the hinged arms ensures a superbly taut sit of the fabric. No resting of the awning cloth on the arm joints. Hinged arm joints feature a pin made of high-grade steel

Windsor Works Wonders With Windows
